## The Annual Awards Dinner

December 17, 2007

Over 80 members and spouses showed up for the 32nd Annual Awards Dinner. Guest Speaker Larry Winslett spoke on Using Photography for Advocacy and Information. It was a great way to look at a new angle for your photographs. The food was great; the company was great and of course, there were awards...

*Starr Camp has done an excellent job as Competition Chair this year.*

*Don Grider made sure we had good programs all year. He was so good, he went ahead and scheduled some for next year. Do you think he had doubts about Brad?*

*Brad thanks Norm Paschal for standing in line at 4AM each quarter to reserve our meeting room.*

*Mary Abernathy keeps track of the money and won't let us spend it.*

*Brad dubbed Jerrie Paschal the "mistress of miscellany" 'nuff said.*

*Randy Myers served as Vice President and was ready when Brad wasn't there.*

***Ioana Marlow*** makes sure we have snacks for every meeting.

***Ümit Yüksel*** is the one who tells us where to go. He'll continue as Field Trip Chairman.

***Meryl Cook*** celebrates her 10th Year with CPS. She has served as president and competition chairman and has made a significant contribution to the well-being of the club.

***Jeanette Hathaway*** keeps notes and knows who has renewed and who hasn't.

***Jeanette Hathaway*** celebrated her 25th year of membership in Cobb Photo Society. Nobody can remember how long she's been secretary, but no body can remember any other secretary.
